Kinderdijk, The Netherlands

We sail along the Rhine during the morning hours. Admire scenic views and enjoy a morning of enjoyable Dutch diversions: sample Dutch cheeses and *jenever*, a distilled juniper liquor, and take in a culturally enriching presentation on the Dutch Golden Age. This afternoon, your ship arrives in Kinderdijk, a UNESCO World Heritage Site. Disembark for an afternoon tour of this ingenious network of windmills and other flood management devices. You learn why the windmills were built and see how they work, plus you enter a working windmill for a tour of its mechanisms and living quarters. Board your ship for departure and dinner. Arrive in Amsterdam around midnight. (Breakfast, Lunch, Dinner)
